SUBURBAN HOME

#### To Cost \$5,500 Contracted For To Be Voted For at the Prima-By E. H. Higgins.

E. H. Higgins has let the contract for a beautiful suburban home on the Russellville pike, just east of the city. It will be on a considerable tract of land lying just beyond Mrs. Blakemore's place, bought by Mr. Higgins several years ago. The contract was let to the Forbes Company for \$5,500. The house will be a splendid and commodious home, with all modern improvements.

#### Fellow Democrats.

I was the first to announce for secretary of state, moved thereto by the laudable ambition to serve the people in an official capacity as I long tried to serve them in private station. I felt too that I possessed the Jeffersonian test for office, knowing that I am capable, hoping that I am worthy and believing that I am honest. For thirty odd years I have as editor of Democratic newspapers and otherwise, helped to fight the battles of the party, without hope or reward, other than that which comes from duty well performed. I have never asked for an office before and do not now because I think the party owes me anything, but because I am sure I can be useful to it, by giving a faithful and honest discharge of the duties of the importone I seek. Most of my opponents either hold or have held office, some beyond their deserts, who are endeavoring to perpetuate themselves in office by making promises and offering offices ten times greatnan they would have at their disposal. I have adopted no such tactics, have no friend to reward or enemies to punish, and if nominated will be free to discharge the duties of the office for the good of the public and not for family benefit. I invite the closest scrutiny of my life as a man and as a Democrat and never having wavered in my support of Democratic measures and candidates I confidently ask a careful consideration of my worth and promise if honored to return my charge unsultied and unstained.

Respectfully. W. P. WALTON. Lexington, Ky , July 15, 1915. Advertisement.

# 225 Acre Farm For Sale

## Meacham Farm Near Gracey To Be Sold For Division.

The A. W. Meacham farm, one mile northeast of Gracey, is offered for sale for division. It consists of three tracts of land, lying on both sides of the old Belleview road. Two tracts of 112 and 45 acres lie along side each other on the South side of said road and the other of 68 acres is just across the road, on the North side. A cottage of seven rooms is on the large tract, with large barn, stable and other out-buildings.

A never failing stream of water, known as Meacham's branch, crosses the farm. A portion of the large tract is in timber. The farm is rented for 1915, but partial possession for seeding crops could be given in the fall. For further information apply to
